Over 12,000 Homeless, 23 Dead In Floods, Storms

MISSISSIPPI, OTHER RIVERS BRING DEATH, DAMAGE IN 4 STATES

IOWA HARDEST HIT AS MISSOURI, ILLINOIS, NEBRASKA ALSO SUFFER

By The Associated Press
The American Red Cross estimated more than 12,000 persons in a four state area were driven from their homes by floods on the Mississippi and its tributaries today as the death toll from the week-end floods and tornadoes reached at least 23.

The agencies' midwestern area office in St. Louis reported that an estimated 2,992 families were homeless in Iowa, Missouri, Illinois and Nebraska as damage to crops and city property was estimated in the millions of dollars.

Third of Town Flooded
Ottumwa, hardest hit by floods, had seven of Iowa's 11 deaths and the Red Cross said 1,545 families were affected as the Des Moines river slowly receded from about one third of the homes in the city of 32,000 population. Hershel Loveless, director of rescue operations, said that he expected more deaths and homes downstream but added that he had "no idea" how many. The Red Cross said a medical director and 13,000 units of typhoid anti-toxin have been sent to the Iowa health department for immunization in Ottumwa.

At Hannibal, Mo., the Red Cross said 400 families were affected and 350 families were still homeless in six Illinois counties in the Quincy area.

The Mississippi, swollen by high water from the Des Moines, rolled on over thousands of acres of Illinois.

BONHAM JAIL TRUSTY ESCAPES IN CAR OF SHERIFF, CAPTURED

YOUTH RELEASED HELD UP BY MAN IN FLIGHT; DEW TRAIL FOLLOWED

PARIS, June 9.—(AP)—A trusty who escaped from the Bonham jail, stole the sheriff's car and later robbed a teenage boy from Dodd City, was captured early today by officers who followed a faint trail through dew damp grass near Dial.

The trusty was John Weldon Akard, 22, of Memphis, Texas. He was serving a full term for passing worthless checks. Akard walked out of the Bonham jail about 11 p. m. last night and took Sheriff Dick Walt's car and a revolver.

He wrecked the car between Bonham and Honey Grove and fled down Highway 101. Officers of Dodd City, forcing him at gunpoint to drive to Honey Grove where he robbed him of \$8. Lowrey notified officers.

Sheriff Walt, accompanied by Highway Patrolmen Ross Kemp and Wagoner, went to Dial, where Akard was known to have relatives. They watched the home for hours but saw no sign of him. They found a faint trail through dew on the grass, and followed it into nearby woods where they found Akard asleep.

He was arrested and returned to the Bonham jail, where new charges are being prepared. Sheriff Walt said that Akard included kidnapping and robbery with firearms.

WEEKEND REPORTS UP COUNTY ANTI-CANCER DONATIONS TO \$1,473

The Navarro county campaign to raise \$1,962 as this area's quota in the nationwide cancer fight took a decided increase over the week end with \$589.20 pouring into Corsicana headquarters.

As a result of the week end contributions the total so far raised jumped to \$1,473.58, leaving only \$488.42 to be obtained.

Fred H. Harvey Jr., general chairman, and W. H. Cruse, city chairman, were enthusiastic as the heavy week end contributions were reported.

Topping the list was a \$400 contribution from the Navarro Community Foundation.

Barry filed a report showing \$18.50 contributed in that community.

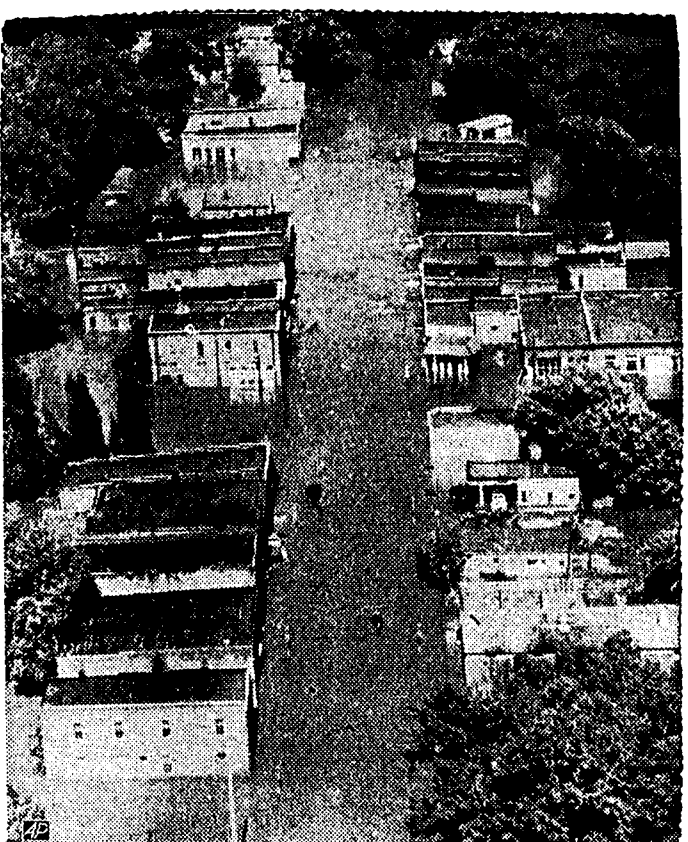

Corsicana contributions included on the Monday morning report totaled \$570.70.

Heads of the drives Monday were out ready to put the finishing touches to the campaign. Collection boxes are to be emptied, the results tabulated.

Contributions announced Monday were:

G. A. Bell, \$1; Billy Woodruff, \$1; Roy Massengale, \$1; Luther Boswell, \$1; Leo Price, \$1; L. W. Grinnell, \$1; R. W. Varnell, \$1; Buck Varnell, \$1; Henry Allison, \$1; Leone Reed, \$1; C. O. POURING OF NEW ASPHALT TOP ON HIGHWAY 14 BEGINS IN COUNTY; WORK ON 32, 75 ALSO SCHEDULED

Pouring of a 25-foot hot asphalt pavement over the old, worn concrete slab on Highway 14 began Monday morning at the Navarro Freestons line, it was announced and after that road is completed to Richland, a similar operation is slated for highway 32 (Highway 75) from the Freestons line at Streetman back to the mixing plant at Richland.

Traffic on the highways, however, will be cared for as the paving is done. Half of the highway will be closed at a time.

The Texas highway commission will receive bids for the final part of the new Highway 31 between Corsicana and Waco June 24, according to advertisements carried in this newspaper. The final gap is for 4.72 miles extending from Dawson to Silver City. This will be a 22-foot reinforced concrete slab.

Contract recently was awarded for the 11.2 miles stretch from Corsicana to Silver City to the L. H. Lacy Company of Dallas. The contractor has set up headquarters at Corbett, about mid-way of the job, where his mixing plant

has been located on a spur on the Cotton Belt Lines.

Actual construction has not begun on this segment, but preliminary work can be started immediately.

A quantity of sand, gravel, and steel arrived at Corbett Saturday it was announced.

When Highway 31 is finally completed the distance between Corsicana and Dawson will be reduced slightly in excess of eight miles. The old present Highway 31 will be maintained as a farm-to-market highway by the state since a number of farm-to-market roads in the three-year plan that are to be constructed during the next couple of years. Contracts have been awarded on a number of them, and much work is anticipated during the summer months as soon as the weather conditions permit.

The customary maintenance program will be continued.

SOME COUNTY OFFICIALS, AUTO, TRUCK OWNERS REPORTED USING "RACKETS" AGAINST MOTOR LAWS

AUSTIN, June 9.—(AP)—"Rackets" allegedly employed by county officials and car and truck owners to defeat the motor vehicle registration laws were reported today by State Auditor C. H. Caviness.

A study of investigation reports indicated that "many devices have been used by motor vehicle registrants to defeat the x x statutes, with consequent losses of large sums annually to the counties and to the state," said the auditor's special examination report.

The report covered a span of nearly seven years since the last audit of the motor vehicle division of the state highway department of Texas.

Names Not Given.
Direct quotations from reports of field investigators and auditors were used to indicate the nature of the rackets. Names of violators were not given.

Farmers Especially Urged To Buy U. S. Bonds In Campaign

About the only thing similar between the fat-dripping, rootling snouted hog and a U. S. Savings Bond is that the dollar mark stands for each.

An appeal to the farmer to invest part of his surplus in U. S. Savings bonds now and reap the harvest in later years has been sounded by Joe E. Butler, chairman of a Navarro county campaign to dispose of \$150,000 worth of the paper during June and July.

The farmer understands hogs. If he is a good farmer, he understands about dollars, too.

Cheap Dollars
The farmer, for one thing, knows that a cheap dollar he is fingerling now. Financiers—those who know money best—say the most profitable time to invest in Savings Bonds is when the dollar is cheap. A farmer would get about \$75 for a grunting 300-pound hog at \$24 a hundredweight. In 1940, when hogs were bringing him \$8 a hundred, it would have taken four 300-lb hogs to buy the same bond.

Bond leaders point out that, in terms of hogs, Savings Bond prices today are just one-quarter what they were in 1940. In terms of dol-

PRESIDENT WILL NOT ACT ON LABOR LAW, TAXES UNTIL FRIDAY

TRUMAN OFF FOR TRIP TO CANADA ON MONDAY NIGHT; TO TALK THERE

WASHINGTON, June 9.—(AP)—President Truman will withhold action on the Income Tax reduction and labor bills until he returns next Friday from Canada.

Telling reporters this today, Presidential Secretary Charles G. Ross said thousands of letters have flooded into the White House on both measures.

"Most of the mail is concerning the labor bill, and most of it urges a veto," he said. "The mail comes from both individuals and organizations."

Leaves Capital Tonight
The president will leave Washington tonight at 7 o'clock (CST) and will address the Canadian parliament on Wednesday. He is to arrive back in Washington Friday night.

He has until Monday to act on the tax bill which reduces income taxes by 10 to 20 percent. Unless he signs or vetoes it by Monday midnight, it will become law without his signature.

He must act within 10 days (excluding Sundays) after a measure reaches him.

Labor Law Ready
The labor bill has not yet reached the White House, but probably will arrive late today. Congress

END OF U. S. HOUSING OFFICE; MORE CUTS IN AGENCY URGED

APPROPRIATIONS PANEL RECOMMENDS EXPEDITE CLOSE SHOP THIS MONTH

WASHINGTON, June 9.—(AP)—Foreseeing early saturation of the building materials market and many other factors in the "housing" bill, the appropriations committee recommended today that the Office of Federal Housing Expediter be liquidated at the end of the fiscal year.

The committee took the action in the annual government appropriations supply bill in which it also (a) called for sharp curtailment of the national housing agency activities and (b) asked Congress to require the Tennessee Valley Authority to repay during the next 40 years \$348,239,240 in appropriations for power-producing facilities.

Six Agencies Cut.
The bill carries direct appropriations for six federal agencies in addition to setting out how much of the revenues others may use for administrative expenses during the fiscal year beginning July 1.

Total new appropriations recommended are \$36,087,550, a reduction of \$14,099,920 over the 1946 budget estimates. Total administrative expense limitations are \$41,649,700, a cut of \$14,847,550, or 26 percent, from what the 21 agencies had requested.

The committee ordered the Tennessee Valley Authority to repay the appropriations it has received in past years for power facilities. It ordered that \$250,000 of outstanding bond principal TVA be paid annually out of net income from power operations. Not less than 40 percent of the remaining power revenue is to be used each year to repay the \$348,239,240 appropriations.

The committee's recommendations with respect to other agencies had been requested.

U. N. Secretary's Palestine Action Assailed By Jews

LAKE SUCCESS, June 9.—(AP)—The Jewish Agency for Palestine charged today that Trygve Lie, secretary-general of the United Nations, had "gone outside and beyond the scope of his functions" in circulating a British note on immigration into the Holy Land.

The Agency submitted a three-page protest to Lie's office here and to the U. N. Palestine Inquiry Commission meeting in a New York office.

The Agency asked that Lie circulate its protest to the 55 member nations just as he did with the British note.

British Note Circulated.
On May 29, Lie transmitted to all N. members the British note asking them to discourage "any illegal activity which is likely to increase the difficulty of finding a solution of the Palestine problem." The note also asked the nations to take precautions against "illegal" immigration.

The commission was making last-minute preparations for its departure for Jerusalem.

Lie had asked that the U. N. countries inform him of any action their governments might take on the British request.

"Out of Order."
This request of the British government and the ensuing action of the secretary-general would appear to be altogether out of order," the Agency's protest said.

The Agency said there was nothing in the resolution of the special general assembly which authorized the Palestine Inquiry Commission nor in a resolution calling on all parties to maintain peace during the investigation that would call for such action by Lie.

"It is with deep regret that we find ourselves constrained to protest the action of the secretary-general," the Agency said.

Two British Police Members Kidnaped By Palestine Jews

JERUSALEM, June 9.—(AP)—A British police sergeant and a British constable were kidnaped from a swimming pool at Ramat Gan near Tel Aviv tonight by twelve armed Jews, it was officially confirmed.

The 12 entered the pool and ordered the policemen to "come with us." One resisted and was struck on the head. A woman was injured by a small bomb tossed into the water.

Linked With Trial.
Authorities associated the kidnaping with the Jerusalem trial of five members of the underground organization Irgun Zvi Leumi accused in connection with the liberation of prisoners at Acre prison May 4. It was recalled that Irgun had threatened reprisals "when danger of death sentences against ORU soldiers is in sight."

Earlier, British military authorities announced a fake bomb warning, telephoned to Arab legion headquarters in Haifa last night, had resulted in the removal of nearly 100 children to a nearby convent as a safety measure.

Situation Uncertain
LAWRENCE, N. Y., June 9.—(AP)—Julius Brickner reported to police that \$4,045 worth of jewelry and some bonds were missing from his Long Island home.

He said he wasn't sure whether burglars had broken into his wall safe—because they took it with them.

ARMOUR, FRIEND OF ARGENTINA, TO GET STATE DEPT. POST

WASHINGTON, June 9.—(AP)—President Truman today nominated Norman Armour to be assistant secretary of state replacing Spruille Braden, who has resigned.

Armour, a career diplomat, was ambassador to Argentina in 1939 and his appointment is regarded as a gesture of good will toward that country.

The White House announcement that he will succeed Braden was made orally by Eben Ayers, press aide. Ayers did not specify that his duties will be exactly the same as those of Braden, but gave that implication.

Former Ambassador.
Armour's last post was ambassador to Spain. He has been in retirement since Dec. 31, 1945. His home is Gladstone, N. J.

Braden was assistant secretary for American Republic affairs. He resigned last Wednesday after Mr. Truman's announcement that he is satisfied Argentina has fulfilled her anti-Nazi commitments.

Long at odds with Argentine officialdom, Braden was an exponent of a "firm" American policy.

French Rulers Map Plans Against Big Scheduled Strikes

PARIS, June 9.—(AP)—Plagued by a nationwide railroad strike, France was threatened today by another strike as the public utility workers walked off the job in several plants near the capital.

Gas and electricity plant workers struck at St. Etienne and Montluçon, and some of the Paris suburbs were expected to be without gas this afternoon. The workers acted several hours before the government was to inform their union of what concessions it was willing to grant.

Premier Paul Ramadier succeeded in averting a threatened nationwide 24-hour utility plant strike 10 days ago by ordering requisition of the workers. Agreement was reached for an arbitrator—Paul Grunbaum-Ballin—to work out an accord. The deadline was last midnight.

Subway Strike Humored
Whisper of a strike on the Paris Metro (subway) also were heard. Such a stoppage, in conjunction with the rail strike, would paralyze the capital. A Metro official said today that no decision had been made for a strike, but that the subway union workers possibly would take a definite stand before Friday. A 24-hour taken strike for higher wages had been called for that day by the public service federation, of which the subway workers' union is a part.

A full government council session was called to meet in the office of Socialist President Vincent Auriol to discuss the situation, which has increased in seriousness since the National Railroad Workers Federation filed

CONGRESS MAY MEET AGAIN IF FOREIGN CRISIS DUE

WASHINGTON, June 9.—(AP)—With a wary eye on tense international developments, Republican leaders are considering a plan whereby they, as well as the President, could summon congress back into session later this year.

It has become apparent that the lawmakers have no intention of acting this session on any major additions to foreign economic aid such as that embodied in the Greek-Turkish project just getting under way.

Chairman Vandenberg (R-Mich) of the senate foreign relations committee has indicated the Republican position on this. And the state department, evidently taking its cue from him, is concentrating on drafting an overall program for consideration next year.

Enough Believed Done.
Hence to keep their hands on both the domestic and foreign spheres, the Republicans may propose a recess under which leaders of both houses could summon members back. There is precedent for such action in the wartime agreements by which congress quit subject to recall of (a) the senate president and house speaker, or (b) joint action of either the majority or minority leaders of both houses.

Here in Washington, Senator Baldwin (R-Conn.) told a reporter he thinks it might be a wise thing for congress to recess subject to call, if any crisis arises.

In any event, it probably would have to be a major crisis to get the legislators back to Washington before January. This summer and fall offer the only relatively free time for the lawmakers to campaign for re-election in 1948.

With all of the house and one-third of the senate seats at stake, some will have primaries falling within

NEW NATIONAL UNION FOR COMMUNICATIONS WORKERS IS FORMED

MIAMI BEACH, Fla., June 9.—(AP)—A new labor union, the Communications Workers of America, was born today with the opening of its first convention—and stepped at once into a world of battles.

The CWA, led by 36-year-old Joseph P. Kamp, faced these two major fights:

1. Trying to enlist the nation's 670,000 rank and file telephone workers—it already claims to have 212,000—and then to lure telegraph workers and radio technicians away from the AFL and CIO unions to which they now belong.

Affiliations Studied
Taff said specifically he was impressed by a letter from Col. R. B. Creager, national Republican committeeman from Texas, contending the plan "would be turning out back on the good neighbor policy."

In this connection, Vandenberg is said to believe that much of the prospective debate on the whole question might better be left unsaid of the Rio Inter-American conference to be held in the coming months.

PAYING THE PUBLIC DEBT

The most interesting result of a Gallup poll for months came up the other day in answer to a question about how to use the prospective Treasury surplus:

"The United States today has a billion dollars surplus in its running expenses. Should this money be used to reduce income taxes, or should it be used to reduce the national debt?"

The result: Cut taxes, 38 per cent; reduce debt 53; no opinion nine.

In other words, although the present tax burden falls heavily on high and low, rich and poor, so heavily that it contributes to discouragement on every side, still more than half of the people want to pay off the national debt before their taxes are reduced. The answer should strengthen faith in the American people.

For an individual to be willing to pay off his own just debts before any of his other burdens are lightened is strong proof of character and basic honesty. For a large group to decide not only multiplies this proof by the number of individuals, but it deepens and reinforces it by more than simple multiplication.

It is also proof of an intelligent attitude toward national finance. To choose easing the load before paying on the debt is merely choosing to postpone facing the music and making it that much worse. For interest is pleasant enough when coming your way, but it eats the very life out of the debtor who has to keep on paying it year after year till the debt is doubled and multiplied.

Most Americans probably hope that Congress will decide on a moderate middle course. A small tax reduction would give us all a few actual, factual dollars now when we need them badly, would provide renewed hope, vigor and incentive. A good deal paid on the national debt would lower principal and interest both. These, along with sensible economies, cutting down what we don't need and hold on to what we do, would help every citizen. Nonpolitical discrimination is needed.

NO MORE POISON IVY

June is the month of brides, roses—and poison ivy. Let's have all the brides and roses possible, but no more poison ivy. Last year Berkeley, Cal., waged a successful campaign against the vine by using a chemical weed spray. Women's club members, boy scouts, newspapers and radio stations backed up the enterprise. Council passed an ordinance permitting city officials to use the spray on the pest in private property and to charge the owners. The result was that there were few citizens in that California city with the miserable itchy blisters that the beautiful

poison ivy's three-leafed foliage gives to the susceptible. Since it has been estimated that a quarter of a million persons are poisoned yearly by this ivy, other cities would do well to follow the Berkeley program. The first step is to know what poison ivy is—usually a vine, sometimes a low shrub, but always of three shiny leaves that are smooth-edged or notched. The three droop a little, in a sort of umbrella shape. Fatches of it should be located and marked for the spray treatment. A word of caution for handling the dead vine after the chemical is applied: Do not burn it. Smoke from it is extremely poisonous. Bury the corpse! Use a spade, and clean the spade with earth. Don't touch the ivy or anything it touches.

ROMANCE IN PEACE

World Trade Week has come and gone, but it is hoped its effect will last through the other 51 weeks of the year, and carry over into many years to come. The object of its observance was to emphasize for all Americans the fact that world trade is a two way business; that other countries can't buy from our manufacturers unless this country buys foreign products. It was an effort at building practical, tangible bulwarks for peace. The idea fires the imagination, broadens horizons, pushes beyond constricting nationalisms. American business with products to sell abroad, other-country manufacturers with things the United States needs, all helped.

What an opportunity this theme is for the schools! Lessons in geography, history, literature, economics, all can be coordinated, made real and related to the individual pupil. The copper in his school's spouting comes from Bolivia, and South America, studied in this relation, comes alive. The wires in the school piano are from Switzerland. Swedish hydroelectric executives are touring America for special machinery. China wants hospital equipment, is sending attractive hooked rugs made of wool from its sheep.

It's an easy step to the fact in war time all such exchange of goods, such inter-country traveling, was stopped by embargoes, ocean mines and the need for shipping guns. It becomes apparent that there is adventure possible in peace time. The world, freed of war, becomes a fascinating place.

Now, it seems, Uncle Sam is going to demand a world army, with everybody keeping everybody else in order. Well, we'll try anything once.

In the realm of prices, it seems that while man proposes, woman does most of the disposing.

The Holy Land seems less holy than usual just now.

KINSLOE HOUSE SCENE SATURDAY EVENING OF NUPTIALS FOR MISS BETTIE SKINNER, JOSEPH MORRIS

The Autrey-Kelly Room at Kinsloe House was the scene Saturday evening of the wedding of Miss Bettie Skinner, daughter of Mr. and Mrs. S. S. Skinner, and Joseph Morris, son of Mr. and Mrs. John J. Morris of Skylesville, Pa., with Guss Farmer of Dawson, minister of Church of Christ, as the officiant.

A handsome wall mirror, garlanded with gardenias, provided a decorative background for the baskets of white gladioli and glowing white tapers that gleamed from candelabra and fashioned an improvised altar.

Miss Jimmie Ruth Thompson was at the piano for a pre-nuptial prelude, Gies's "I Love Thee," and played the accompaniment for Mrs. John J. Morris, who sang "Because Thee." The traditional wedding marches were used as processional and recessional.

The bride, given in marriage by her father, descended the garden-aded staircase, wearing a floor-length gown of white silk marquisette, designed with long torso, girdle insets of diminutive ruffles and bows, and short, puffed sleeves. Her fingertip veil of misty bridal illusion depended from the top of her head, and she wore long white lace and net mitts. She carried a white satin prayerbook overlaid with an arrangement of sweetheart roses.

Mr. and Mrs. Balcom Black and daughter, Miss Clara Black, visited friends and relatives here Monday and Tuesday.

Mr. and Mrs. Marion L. Gies and children of Harlingen are visiting in Palestine this week.

Mr. and Mrs. Edward Baker of San Antonio visited relatives here over the week end.

Miss Evelyn Fryer, teacher in the Galena Park schools, has arrived here to spend the summer. Bobbie Reed spent last week in Dallas.

Mr. and Mrs. P. G. Blount and Mr. and Mrs. Peyton Awall and baby visited Mr. and Mrs. Sam Watson in Buffalo Sunday.

Miss Jimmie Percy of San Antonio visited her mother, Mrs. H. J. Cannon, here last week.

Alton Parker and Eston Turner were in Dallas on business Monday and Tuesday.

Mr. and Mrs. C. L. Williamson visited Mrs. Williamson Sunday.

R. B. Kirgan and son, Ranny, of Sweetwater spent the week end here with his parents, Mr. and Mrs. C. Kirgan.

Mrs. Arthur Swinney of Dallas spent the week end with her sister, Mrs. Ed Robinson.

Mr. and Mrs. Charlie Richardson spent the week end at Houston.

Mrs. John F. Fryer spent last week with Mrs. J. E. Johnson in Houston.

Rev. J. L. Childs of Kyle and Leon Childs are visiting their mother, Mrs. L. H. Childs, who is seriously ill.

Miss Jenny Belle Richardson of Dallas spent the week end here with her parents, Mr. and Mrs. Turner Richardson.

Billy Glazener of McKinney spent last week here visiting his mother, Mrs. Annie Glazener.

Out-of-Town Guests
Out-of-town guests at the wedding were Mr. W. Roberts, Mrs. L. Matthews and daughter, Sara, Mr. and Mrs. W. C. Roberts, Mrs. S. H. Akers and Miss Jimmie Sue Akers of Dawson; Mr. and Mrs. H. H. Raised Taxes Not His Fault - - But Clerk Gets Kicks

County Clerk Baldy Harwell is not too happy about the whole thing.

He's getting letters. He recently sent out approximately 1,000. The contents of the letters both sent and received are not of joyful origin.

Taxpayers are complaining about you guess what. Some want statistics, some want justice.

On June 11, 12, 13, 14 and 15 they will have a chance to argue the matter of the tax increase with the commissioner's court.

Harwell says that although the letter of notification bears his name, he is not responsible. Still the letters come in. Harwell is not happy.

Miss Franchelle McWilliams, Jack Baggett Are Wed

The marriage of Miss Franchelle McWilliams, daughter of Judge and Mrs. C. E. McWilliams, to Jack Baggett, son of Mr. and Mrs. W. C. Baggett of DeWitt, was solemnized at the home of the bride's parents on Friday morning with the Rev. Joe McAfee officiating.

The single ring service was read before a mantel banked with cape jasmine and white gladioli, flanked by white tapers in floor standards and summer greenery.

Mrs. Gertrude Thompson contributed a prelude of wedding songs and played the traditional wedding processionals.

The bride, given in marriage by her father, was attired in teal blue crepe with white accessories and a corsage of purple orchids.

Miss G'Nelle McWilliams, her sister's only attendant, wore navy blue with white accessories and a corsage of white carnations.

Ray Brannon served as best man, Misses Shirley Anderson and Ann Spornitz lighted the candles.

Immediately following the ceremony, the young people left for Rosenberg, where the bridegroom is employed by the International Harvester Company.

The bride was graduated from Corsicana High school and has attended Navarro Junior College for the past year. The bridegroom was also a student at Navarro Junior College. He served in the U. S. armed forces for three years during World War II.

Miss G'Nelle McWilliams honored her sister with a pre-nuptial tea-shower at the Corsicana Country Club on Thursday afternoon.

Mrs. Gertrude Thompson provided a pianistic background for the courtesy while the floral background was fashioned of white gladioli and cape jasmines. Miss Julia Lee McClung had charge of the guest's book.

Among out-of-town guests in attendance were Mesdames C. C. Turner of Hawkins and O. N. Stover of Overton.

Tupelo WSCS Meets
The Tupelo WSCS met on Wednesday in the home of Mrs. Ethel Braddock, with 10 members present.

Mrs. L. C. Lockhart was in charge of the program. After a short business session several songs were sung by the group.

Mrs. R. M. Bowden gave the closing prayer. Refreshments were served to all those present.

MISS MARGARET C. MARSHALL OF SPRINGFIELD, MASS., WEDS ROBT. E. LAYTON, JR., IN TYLER RITES

Of local interest was the marriage of Miss Margaret C. Marshall, daughter of C. S. Marshall of Springfield, Mass., to former Corsican Robert E. Layton, Jr., son of Mr. and Mrs. Robert E. Layton of Tyler, which was solemnized at First Presbyterian church in Tyler on Saturday afternoon at 4 o'clock.

Rev. John Anderson, Jr., read the impressive single ring ceremony before an altar arrangement of palm white bridal blossoms and gleaming white tapers in floor standards.

Mrs. E. E. Chilcote was organ accompanist for Hoyle Hackney of McGregor who sang "Because," "One Alone" and "Lord's Prayer," and played the traditional wedding marches.

The bride chose a gown of soft silk lace designed on classic lines with high round neckline, molded bodice, enhanced with self-covered buttons, long light-fitting sleeves, and fully gathered skirt that terminated in a chapel train. Her finger-tip veil of imported bridal illusion fell from a Juliet cap of matching lace and she carried a cascade arrangement of white roses and stephanotis, tied with ribbon from her mother's bridal bouquet.

The bride's only attendant was Mrs. Dennis Witte of Brownsville, sister of the bridegroom, who wore blue marquisette with cap sleeves and matching blue mitts. She wore a picture hat of transparent straw and carried an array bouquet of yellow roses tied with yellow ribbon streamers.

The best man was Fred M. Bledson of College Station, and the ushers were Dennis Witte of Brownsville, John Cornish, Jr., of Headtown, Okla., Don Cherry of College Station and Sam Bailey of Tyler.

The bridegroom's mother wore a dinner dress of blue crepe with white accessories and an orchid corsage.

Reception at Woman's Building.
Immediately following the ceremony, an informal reception was held at the Tyler Woman's Building. The bride's table, laid in a linen and lace cloth, was graced with a central arrangement of white gladioli and stephanotis in a silver bowl, flanked by white tapers in silver candelabra, and held the white, satin-iced wedding cake and punch service. Mrs. J. H. Danton of Corsicana had charge of the cake. Mesdames Fred Bledson and Don Cherry of College Station served the punch and Mrs. Sam Bailey of Tyler registered the guests in the bride's book.

After a wedding trip to New Orleans, La., the couple will be at home at 106 South Bonner street in Tyler, where the bridegroom will be employed as an engineer with the L. O. Layton Supply company.

Attend School Meet

R. L. Waller, president of Navarro Junior college, and Ken Clark, athletic director, attended a scheduling committee session of the Texas Junior college conference in Fort Worth Monday afternoon.

Waller is vice president of the new conference. The school heads will arrange athletic schedules for the coming school year.

Mr. and Mrs. Lunsford Livingston of Oklahoma City arrived over the week-end for a visit with Mrs. Livingston's mother, Mrs. Guy Gibson.

HIGH SCHOOL HONOR STUDENTS FETED AT ANNUAL BANK DINNER

KINSLOE HOUSE SCENE OF EVENT FOR STATE NATIONAL PERSONNEL

Honor students of Corsicana High schools were guests Friday evening at the annual banquet for the employees and officials of the State National Bank, held at the Kings House.

Ned DeLaFosse and Bill Stewart, honor girl and boy of the class of 1947 at Senior High, were presented with Gold Pin Awards and checks for \$50 by the banking institution.

Gold Pin awards were given to the boy and girl in the eighth through the twelfth grade who compiled the highest scholastic average and to the honor graduates of the senior class.

Dawson Presents Awards. The awards were presented to the students by Matt Dawson, attorney for the bank, who extolled the virtues of Corsicana and the manifold blessings of the bank where you are and use what you've got," he stated.

He urged that before the young people start the community shift to take stock and see where we are, he said, "If we start where we are we'll find we're very fortunate. Start where you are and use what you have," he said.

Junior College Lauded. Lauding the advantages of Navarro Junior College and the benefits of the fine foundation to be obtained in a small school, he advised that we can afford to start where we are, where we have a start.

"Combine your learning with industry and hard work and it will make you a better individual," Mr. Suttle Roberts, president of the bank, was the genial toastmaster for the affair that had honor students as guests at the yearly banquet for employees and officials of the bank.

"We have met here to honor the young people of Corsicana who have made outstanding records," he stated.

Honor Students Listed. Honor students of each grade were Jack Bayless, eighth grade; Bennett Stokes and Ann Fowler, ninth grade; Dwight Chappell and Barbara Higdon, tenth grade; George Sullivan and Elsie Douglas, eleventh grade; Bill Davis and Bill Stewart (tied) and Helen Watkins, twelfth grade.

Honor graduates of the 1947 class at Senior High were Martha Jean Allen, Sarah Ned DeLaFosse, Betty Fay Howeth, Joan Jester, Isaac Levy, Marianne Long, Kathryn McLendon, Wanda Sue NeSmith, Edith Geraldine Sanders, Bill Stewart, Virginia Carroll Stokes, Frances Ann Wallace, Patsy Marie Ware, and Betty Ruth Watson.

Wanda Sue NeSmith was lauded by Dawson for taking third place in the international essay contest sponsored by the Civitan Club. Joan Jester, George Sullivan and Patsy Marie Ware were not present to receive their awards.

The invocation was brought by Mrs. Finis Seale. In charge of the dinner were Mrs. Seale, Miss Helen Jones, Miss Thelma Bowden and Miss Elaine Coley.

McAdams Honored for Dramatics At Academy. At ceremonies held in Tecumseh Court at annapolis on June 2, Midshipman John W. McAdams Jr., was presented with an extra curricular certificate for his achievement in the Masqueraders, the academy dramatic club.

The son of Mr. and Mrs. John W. McAdams, 1809 Woodlawn, participated in the Masqueraders activities, including the Drama club, Musical clubs, Juice Gang, Property and Make-Up Gang, and the Stage Gang.

Rear Admiral James L. Hollaway Jr., Superintendent of U. S. Naval Academy, addressed the midshipmen and their families.

Corsicana Girl Weds Houstonian In Tyler Rites

Miss Lera Jean Spencer, daughter of Mr. and Mrs. John D. Spencer of Corsicana, became the bride of Richard L. Wynne, son of Mrs. Zula Wynne of Houston in ceremony at 4 p. m. on Sunday, May 27th, at the Sam Houston Baptist Church in Tyler.

The double-ring service was read by the Rev. Lee B. Smith, before an altar banked with palms and calla lilies and illuminated by tall white tapers in floor candelabra.

Proceeding the ceremony, Mrs. Lee B. Smith presented a program of nuptial music. She also played the traditional wedding marches. The bride, who was given in marriage by her father, wore a white crepe afternoon dress with white accessories and an orchid corsage.

Miss Betty Bradford of Corsicana was the bride's only attendant. She wore a navy and white with navy accessories and her flowers were white gladioli, centered with red carnations.

James Arnold of Houston was best man. The ushers were Wayne and Arville Cox.

Reception Follows Ceremony. A reception was held after the service at the home of Mr. and Mrs. R. Long, grandparents of the bride. The living room was adorned with arrangements of pink roses and white daisies. The bride's table was laid in white damask, appointed in crystal and lighted with pink tapers. Pink carnations and feverfew formed the centerpiece.

Mrs. Harold Davidson of Palestine, presided at the three-tiered wedding cake, which was topped with a miniature bride and bridegroom. Mrs. Wayne Cox presided at the punch bowl and Mrs. Arville Cox was in charge of the bride's book.

The couple left after the reception for a wedding trip to New Orleans. For traveling the bride wore a white suit with brown accessories.

The bride was graduated from Corsicana High School and a business school in Houston. She has been employed in Houston and by the Flinn-Holley Company in Tyler. The bridegroom graduated from John Reagan High School, Houston and is now employed in that city where they plan to make their future home.

In out-of-town guests were Mr. and Mrs. John D. Spencer, Mr. and Mrs. W. J. Bradford and Miss Betty Bradford of Corsicana; Mr. and Mrs. Harold Davidson and family of Palestine; Mrs. Irby Henderson of Longview, and Mrs. Zula Wynne, Mr. and Mrs. James Arnold and John Darby Spencer of Houston.

Greek Relief Fund Is Oversubscribed

A final tabulation Saturday by S. N. Georgas, head of the Greek War Relief campaign for \$2,500, revealed that Corsicana oversubscribed the quota by \$65.25.

Georgas made out his final deposit slip, prepared to forward the money to national headquarters.

"I am very grateful," he said, "I thank everybody who gave a cent to this campaign. It is a wonderful thing. The children of Northside Baptist Church I am particularly indebted. Once they gave \$7.50, and when they found out I was still \$7 short, they returned with that amount."

"To everybody who contributed I wish to extend my appreciation." The final list of contributors included: Anonymous, \$5; J. S. Beachum, \$1; Dr. Dubart Miller, \$1; Tom McBroom, \$1; W. G. Owens, \$1; Louis Wolens, \$50; Vacation Bible School, Northside Baptist Church, \$7; Arthur Boldin, \$20; Melvin Wigley, \$1.

ANCIENT CISTERN UNCOVERED AT SITE OF NEW BUILDING

Should the plans for the new S. H. Kresse and Co. building at Collin and Beaton streets, include a cistern, the owners have it.

Demolition workers at the site of the two-story building this week uncovered a cistern, buried for long years, with origin not known.

The water reservoir is approximately 15 feet deep and 15 feet in diameter.

It had been left unfilled and cemented over, probably in 1884 when a two-story building was raised on the plot. It will be necessary to do now what should have been done 63 years ago—fill it.

Workmen digging in the lot also unearthed a fine specimen of petrified bois d'arc.

Airport Manager Resigns To Fly Pipeline Route

Resignation of James P. Roberts as manager of the municipal airport facilities, retroactive to June 1, was accepted by city officials Friday morning, and Glenn Cumby was named as his successor.

Roberts submitted his resignation Thursday and Mayor Hubert T. Breselton notified three commissioners to reach some decision on the matter Friday as he was unable to be in the city.

Commissioners P. Travis Fullwood, Fred D. Prince and J. E. Bryant, Jr., met with Roberts and Cumby during the morning, and named Cumby as the new manager.

Pipeline Job Accepted. Roberts announced that he would go to work Monday as a flyer with the B. F. Hines Flying Service, doing pipeline break spotting.

Cumby has been at the airport since February, 1942. He has operated his own aircraft maintenance shop, which he said he had sold to a Tyler resident.

In addition to taking care of the airport business, the job carries the additional work of keeping records on the veterans' housing program at the field, and the negro veterans' housing unit in the city.

The position pays \$200 a month.

Miss Ruth Burney Becomes Bride Of John W. Darden

Miss Ruth Burney, daughter of Mr. and Mrs. L. A. Burney of Tehuacana, became the bride of John W. Darden, son of Mr. and Mrs. John Darden of Purdon in a double-ring ceremony at the home of the Rev. Finis Crutchfield at 5 o'clock p. m. on Friday, May 30th.

The bride wore a poude blue afternoon dress with black accessories and a corsage of white carnations. Miss Pauline Grizzard and John Wesley Hodge were the only attendants.

After a short wedding trip, the couple will be at home in Purdon where he is employed by the St. Louis-Southwestern R. R. Company.

Mrs. Darden was graduated from Texas High School in 1942 and attended Westminister College and Sam Houston State Teachers College, and was formerly a member of the faculty of the Purdon schools. The bridegroom was graduated from Purdon High School and served three years with the U. S. Armed Forces overseas.

REV. J. E. INLOW TO TAKE PASTORATE IN PORT ARTHUR

Rev. and Mrs. J. E. Inlow who came here five years ago, and have had a very rich ministry, will be leaving some time next week for Port Arthur, Texas, to take the First Church as pastor.

"This has been one of the most pleasant works that we have had in the 15 years that we have pastored," said Rev. Mr. Inlow. "The Lord has been very good to us in that he has helped the church to build both materially, numerically and spiritually. We have enjoyed our work here in Corsicana, and it has been a pleasure to be associated with the people of the church and city."

No successor has yet been named.

Riddle Of Parents Whereabouts Puzzles Riddle, Ore., Woman

From—paradoxically enough—Riddle, Ore., comes a plea of a woman for information regarding her parents.

Herman Brown, manager of the Chamber of Commerce, has been asked for information by Mrs. Margaret Mae Howard of the Oregon town, of her parents, John and Meda Ettu Fifer.

Mrs. Howard said that persons who reared her changed her name to Margaret Mae when they took her as a child. She said all the information she had been able to glean regarding her parents were that "they were pretty well off."

Corsicanan's Mother Dies Itasca Thursday

Mrs. Dovie Ann Rebecca Parker, aged 76 years, died at the family home in Itasca Thursday afternoon following an extended illness. Funeral services were held from the First Baptist church at Itasca Friday afternoon at 3 o'clock with interment in the Itasca cemetery. The rites were conducted by Rev. R. F. Thompson.

Native of Alabama, Mrs. Parker resided at Itasca, Hill county, prior to moving to Itasca 39 years ago. Surviving are her husband, J. W. Parker, Itasca; a son, Bernie Parker, Corsicana; a daughter, Mrs. Sudie Priddy, Itasca; six grandchildren and two brothers, J. W. Durham, Grandview, and Emmett Durham, Alabama.

Federal Tax Judge Luther A. Johnson, former congressman from the Sixth Texas district, is spending a few days here en route to Washington, D. C., from California where he has been hearing cases.

GOOD EGGS NEEDED

Good quality eggs are short and will be short for the rest of this year. We anticipate a very high market for quality eggs during the summer and fall months. Keep your eggs cool, clean and market at least twice a week. Low grade eggs are hard to sell and will bring a poor price in comparison with top grades. We are paying:

A GRADE EGGS, per dozen42c
B GRADE EGGS, per dozen37c
UNDERGRADES, per dozen28c

Jaycee-ettes Are Commended For Gifts To Hospital

At a recent meeting of the Hospital, the Jaycee-ettes were given special recognition for the splendid work they have done for the hospital during the past two years.

Under the chairmanship of Mrs. Jimmie Lorimer, the Jaycee-ettes have wrapped hundreds and hundreds of bandages for sterilization, and recently they have upholstered chairs for the hospital rooms.

Mrs. Ona B. Brown, superintendent of the hospital, was also loud in her appreciation of the Jaycee-ettes and their contributions to the hospital which came at a time when labor was difficult to secure and supplies were desperately needed, she stated.

The secretary of the hospital board was instructed to write a letter of appreciation to Mrs. Paul Mitchell, president of the Jaycee-ettes for their outstanding work, and to commend them for their humanitarian activities in Corsicana.

P. and S. Hospital has again been chosen as their project for the coming year.

Farm Families Asked To Get Sugar Early; Wheat Needs Boxcars

Miss Eva Sue Merritt, county home demonstration agent, reminded housewives this week that the U. S. Department of Agriculture has asked them to cash in their sugar stamps 11 or 12 as soon as possible.

The reason is that an estimated record wheat crop is expected to cause an acute shipping shortage, and there may not be enough box cars to handle both wheat and sugar. This will affect the distribution of sugar to Texas store shelves, Miss Merritt has been advised.

Due to that situation, the number 12 stamp in the ration books was made good in advance, and grocers will accept both the 11 and 12 stamps until October 31.

Many consumers are apparently postponing the use of their stamps. Housewives making last-minute runs on stores to cash their stamps are likely to find a local shortage, the U. S. D. A., says.

Miss Merritt reminded housewives that no sugar is to be allowed them for canning and that any canning sugar used must come from their regular allotment.

CORSICANA EXHIBIT IN STATE FAIR C C SECTION DISCUSSED

A representative of the Isom Co., Kansas City firm and official photoette manufacturer for the East Texas Chamber of Commerce, is in Corsicana obtaining orders for this city's part in the regional organization's exhibit at the State Fair of Texas.

Herman Brown, manager, said Saturday that Glenn S. Moad, Texas as manager of the company, is contacting manufacturers regarding making of the photographed models of products. The miniature actual photographs sawed from wood and placed on attractive bases, will be included in the East Texas chamber's overall exhibit.

Each manufacturing firm is limited to five of the 12x10 inch miniatures, at a cost of \$25 per unit. Brown said the price included the photoette, which becomes the property of the manufacturing concern, together with 16 days exhibition at the state fair, plus advertising publicity.

Sergeant Dodd Home. Sgt. R. J. Dodd, Borinquen Army Air Field, Puerto Rico, is home on a 45 day furlough. He flew home to Texas to visit with his mother, Mrs. H. A. Dodd of Corsicana.

After re-enlisting in August 1946, Sgt. Dodd was assigned to the 9th Weather Squadron. He served previously on B-29's on Salpan at with nightfighters on Iwo Jima.
